To Whom It May Concern:

April 15, 2002

Spotless Drycleaners has used the services of Tom Breton at Dynamic Flyer Distribution for several years.

Tom Breton has always delivered quality work on a short deadline. We have never had a problem with print delivery. We have been very satisfied with the customer service that Dynamic Flyer Distribution has offered our company.

We have worked with Tom Breton on several large projects and have always been satisfied with the outcome. I would highly recommend Dynamic Flyer Distribution for any company.

Sincerely,
